Dear Parents,

Below you will find the recommended supply lists for each grade level. In some cases, teachers included additional desired items that would be well received from families who would like to contribute.

Depending on the grade level, supplies are either individually labeled or unlabeled/unnamed for community use. Specific directions can be found in each grade-level's supply list.

Important Note: To avoid additional stress on the first day of school, it is recommended all students come prepared with all their supplies on the day of our Open House ("Meet the Teacher Day") on Wednesday, August 14. Please know more details about our Open House will be provided in late July.

Thank you in advance for your support and contributions!
