

Escondido Charter High
2023–24 School Accountability Report Card
Reported Using Data from the 2023–24 School Year
California Department of Education

Address: 1868 East Valley Pkwy.
Escondido, CA , 92027-2525

Principal: Dr. Lesley Clifton

Phone: (760) 737-3154

Grade Span: 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

About This School

📍 Principal, Escondido Charter High

About Our School

Over the past twenty-eight years, ECHS has remained true to its original mission and vision and continues to provide a rigorous academic experience in a safe and structured learning environment. During this time, we have created a vibrant academic community with a state-of-the-art science program, performing arts, fire and police programs, numerous curricular clubs, athletics, robotics, and new engineering courses. Escondido Charter High School provides students with a comprehensive high school experience.

Our world-class teaching staff and dedicated support staff serve over 900 students in grades 9-12. ECHS offers different learning options for students based on their unique learning profiles. The Traditional Learning option offers a comprehensive, full-time classroom experience where students attend school for a full day five days a week. The Flex Learning option offers a more personalized experience, with students having modified learning schedules tailored to meet their academic goals. Both learning options are designed to prepare students to be competitive in college and make a meaningful contribution to our community.

We invite you to visit our state-of-the-art campus and learn more about our academic programs or visit us on the web at amhcs.org/escondido-charter-high-school/.

Grade Span	9-12
County-District-School (CDS) Code	37681063731023

School Description and Mission Statement (School Year 2024–25)

At Escondido Charter High School (ECHS), we provide a diverse range of learning options tailored to meet the varied learning styles of our students. Some students thrive in a traditional classroom setting with teacher-led instruction, while others benefit from a blend of classroom and technology-based learning. For those who prefer a more individualized approach, we also offer one-on-one sessions with teachers to support independent study. Our aim is to ensure an ideal learning experience for every student, and our range of options allows us to meet this goal.

Traditional Learning

ECHS Traditional Learning offers a five-day-a-week, college-prep option, enabling students to build strong relationships with their teachers in small class settings. Traditional Learning fosters critical thinking and problem-solving skills while encouraging students to embrace traditional values such as integrity, personal responsibility, and service to others.

Flex Learning

Flex Learning encompasses a range of options, all aimed at personalizing the educational experience.

Flex Classical Learning Pathway (CLP)

Flex Learning provides a four-day, on-campus, college-prep option where students combine the best of independent learning with traditional classroom instruction in a technology-rich environment. In this program, students are encouraged to enroll in college courses while still in high school.

Flex Personalized Learning Pathway (PLP)

Flex Learning students also have the choice of one-to-one instruction in an independent learning option, meeting with their teacher once a week and working independently between visits. In addition to the options outlined above, we also offer a Flex Blended Learning option, allowing for a mix-and-match approach. If the four-day-per-week CLP option seems too restrictive and the PLP option is too independent, we can create a customized coursework plan tailored to your student's needs.

Student Enrollment by Grade Level (School Year 2023–24)

Grade Level	Number of Students
Grade 9	242
Grade 10	212
Grade 11	254
Grade 12	227
Total Enrollment	935

Student Enrollment by Student Group (School Year 2023–24)

Student Group	Percent of Total Enrollment
Female	47.90%
Male	52.10%
Non-Binary	0.00%
American Indian or Alaska Native	1.30%
Asian	6.00%
Black or African American	2.10%
Filipino	3.30%
Hispanic or Latino	47.30%
Native Hawaiian or Pacific Islander	0.30%
Two or More Races	1.30%
White	35.80%

Student Group (Other)	Percent of Total Enrollment
English Learners	2.20%
Foster Youth	0.00%
Homeless	0.10%
Migrant	0.00%
Socioeconomically Disadvantaged	49.30%
Students with Disabilities	6.30%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	25.10	47.04%	306.90	71.52%	228366.10	83.12%
Intern Credential Holders Properly Assigned	0.00	0.00%	6.80	1.60%	4205.90	1.53%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.30	4.47%	10.20	2.40%	11216.70	4.08%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	8.90	16.64%	54.50	12.71%	12115.80	4.41%
Unknown/Incomplete/NA	17.00	31.82%	50.50	11.77%	18854.30	6.86%
Total Teaching Positions	53.40	100.00%	429.10	100.00%	274759.10	100.00%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teacher Preparation and Placement (School Year 2021–22)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	40.60	73.03%	361.50	78.04%	234405.20	84.00%
Intern Credential Holders Properly Assigned	1.00	1.80%	3.90	0.85%	4853.00	1.74%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00%	11.90	2.59%	12001.50	4.30%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	6.00	10.81%	40.40	8.73%	11953.10	4.28%
Unknown/Incomplete/NA	7.90	14.34%	45.30	9.79%	15831.90	5.67%
Total Teaching Positions	55.50	100.00%	463.20	100.00%	279044.80	100.00%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teacher Preparation and Placement (School Year 2022–23)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	44.60	79.60%	356.30	78.77%	231142.40	83.24%
Intern Credential Holders Properly Assigned	2.70	4.81%	6.70	1.48%	5566.40	2.00%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.40	4.29%	27.10	5.99%	14938.30	5.38%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	4.60	8.27%	26.20	5.80%	11746.90	4.23%
Unknown/Incomplete/NA	1.60	3.01%	35.90	7.95%	14303.80	5.15%
Total Teaching Positions	56.10	100.00%	452.30	100.00%	277698.00	100.00%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

**Teachers Without Credentials and Misassignments
(considered "ineffective" under ESSA)**

Authorization/Assignment	2020–21 Number	2021–22 Number	2022–23 Number
Permits and Waivers	0.00	0.00	0
Misassignments	2.30	0.00	2.4
Vacant Positions	0.00	0.00	0
Total Teachers Without Credentials and Misassignments	2.30	0.00	2.4

**Credentialed Teachers Assigned Out-of-Field
(considered "out-of-field" under ESSA)**

Indicator	2020–21 Number	2021–22 Number	2022–23 Number
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00	0
Local Assignment Options	8.90	6.00	4.6
Total Out-of-Field Teachers	8.90	6.00	4.6

Class Assignments

Indicator	2020– 21 Percent	2021– 22 Percent	2022– 23 Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	5.30%	0%	18.9%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	3.30%	4.8%	1.9%

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvements

In 1996, Escondido Charter High School (ECHS) opened its doors in a pair of storefront offices in a business park with just 60 students. By 2003, the school had expanded to occupy the entire business park. That same year, ECHS purchased property across the street and constructed a new campus featuring classrooms, state-of-the-art science laboratories, computer labs, and a library. This expansion was made possible through a private bond sale. In 2007, the school added a 400-seat theater, a gymnasium, and a synthetic athletic field.

In 2016, ECHS acquired a building adjacent to the existing campus, which now houses ECHS Flex Learning. This facility includes the innovative Flex Lab, additional science lab space, classrooms, a digital design lab, and a robotics shop.

The main campus of Escondido Charter High School is located at 1868 East Valley Parkway, Escondido, CA. The Flex Learning campus is adjacent to the main campus at 463 N. Midway Drive, Escondido, CA.

In the fall of 2022, the main campus, including the gymnasium and theater, was outfitted with an advanced security system. Progressive Technology installed and now provides monthly monitoring for the alarm system. Both the main and Flex Learning campuses were also equipped with a "panic button" security system. This system, when triggered in an emergency, immediately alerts first responders and restricts campus access.

In 2024, new field turf and drainage systems were installed to enhance the athletic facilities. These upgrades not only improved the usability and performance of the field but also enhanced player safety by providing a more consistent and shock-absorbent playing surface. Additionally, the upgraded drainage systems significantly extended the lifespan of the foundations of adjacent buildings by preventing water accumulation and ensuring proper runoff management. This investment reflects the school's commitment to maintaining high-quality facilities that prioritize both student safety and long-term infrastructure sustainability.

The campus is cleaned nightly and maintained regularly. Each summer, the school undergoes a comprehensive deep-cleaning process, which includes cleaning and replacing vents, lights, and damaged ceiling tiles. All painted surfaces are either repainted or touched up, carpets are cleaned, and hard floors are stripped and re-waxed. Teachers have direct access to the maintenance director to report issues, ensuring prompt resolution. The school also has maintenance contracts with pest control, drain, and landscaping companies.

ECHS operates as a closed campus, featuring electronic security gates that restrict entry during the school day but open automatically for exit. In 2022, the theater received a significant technology upgrade. Aging HVAC units are replaced throughout the year as necessary to maintain a comfortable environment.

In response to COVID-19, Escondido Charter High School continues to adhere to health and safety guidelines established by the California Department of Public Health and the County of San Diego Health and Human Services Agency. These measures are in place to reduce the risk of exposure for staff, students, and visitors.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2024

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Mechanical/HVAC and sewer systems are kept in good working order through a regular maintenance schedule. No gas leaks detected. Any needed repairs are made in a timely fashion. HVAC maintenance contract renewed for district in January 2024.
Interior: Interior Surfaces	Good	Interior surfaces are in good condition. Cleaning and painting are done annually and as needed throughout the year to maintain appearance and cleanliness.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	A local pest control company is contracted to do bi-weekly inspections/treatments to help prevent pest/vermin infestation. The pest control company is also called as needed to address any activity.
Electrical: Electrical	Good	Electrical systems are in good working order. An annual inspection is conducted by the local Fire Marshall to help ensure that the electrical systems meet pertinent codes.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	Restrooms, sinks, and fountains are kept clean and in good working order. Deep cleaning is regularly conducted.
Safety: Fire Safety, Hazardous Materials	Good	All fire safety elements have been certified/updated for the current year and are in good working order. The local Fire Marshal conducts an annual inspection to ensure compliance with relevant fire and hazardous material codes, including fire sprinklers, extinguishers, hazardous materials, and elevators.
Structural: Structural Damage, Roofs	Good	Structures and roofs are in good condition and any needed repairs are made in a timely fashion.
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	External elements (e.g., athletic facilities, school grounds, windows, doors, gates, fences, etc.) are in good condition and undergo regular maintenance. In addition to the in-depth annual inspection conducted during the summer, athletic facilities also

System Inspected	Rating	Repair Needed and Action Taken or Planned
undergo monthly visual inspections to ensure student safety. Any necessary repairs are promptly addressed.		

Overall Facility Rate

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2022– 23	School 2023– 24	District 2022– 23	District 2023– 24	State 2022– 23	State 2023– 24
English Language Arts / Literacy (grades 3-8 and 11)	54%	76%	55%	60%	46%	47%
Mathematics (grades 3-8 and 11)	35%	54%	22%	27%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2023–24)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	255	248	97.25%	2.75%	75.81%
Female	127	123	96.85%	3.15%	78.86%

Career Technical Education (CTE) Programs (School Year 2023–24)

Despite its size, ECHS offers a robust Career Technical Education (CTE) program with a range of courses available both online and in the classroom. These courses span various disciplines, providing students with diverse career exploration opportunities. ECHS has initiated the establishment of CTE Pathways in the following areas: Technology, Criminal Justice, Culinary Arts, Health Science, Hospitality & Tourism, and Fire Technology. Some of these courses are part of a two-year sequence, allowing students to gain in-depth knowledge and skills.

ECHS actively partners with local businesses and organizations that are eager to recruit students for entry-level jobs, internships, and community service activities. These partnerships provide valuable real-world experience and connections. Some of the organizations offering internships include Palomar Hospital, Northrop Grumman, ViaSat, and the Escondido Police and Fire Departments.

Furthermore, ECHS has a long-standing and strong relationship with Palomar Community College. This collaboration allows ECHS students to attend Palomar classes tuition-free. Many students, particularly those in the Flex Learning Program, take concurrent courses at Palomar to earn career-oriented certificates.

Current CTE Courses:

- Athletic Training
- California Culinary Arts
- **California Health Science (2 years)**
- California Principles of Hospitality and Tourism
- California Principles of Manufacturing
- **Criminal Justice (2 years)**
- Digital Media
- Drone Robotics & Manufacturing
- **Electrical Technology (2 years)**
- Entrepreneurship
- Hospitality & Tourism
- **HVAC Technology (2 years)**
- Intro to Engineering
- Photography 1
- **Plumbing Technology (2 years)?**

Current CTE Committee Members:

- Jason Mancino
- Matt Jones
- Steve Throop

Career Technical Education (CTE) Participation (School Year 2023–24)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	248
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	71.4%
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	--

**Course Enrollment/Completion of University of California (UC) and/or California State University (CSU)
Admission Requirements**

?Students enrolled in independent study often follow a general level curriculum in order to enroll in community college after graduation. All students in classroom programs follow the A-G curriculum, and approximately 95% of those students satisfy university requirements upon graduation.

UC/CSU Course Measure	Percent
2023–24 Pupils Enrolled in Courses Required for UC/CSU Admission	95.59%
2022–23 Graduates Who Completed All Courses Required for UC/CSU Admission	67.97%

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2023–24)

Percentage of Students Participating in each of the five Fitness Components

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
9	88.2%	92.4%	92.4%	92.4%	92.9%

Note: The admistration of the PFT requires only participation results for these five fitness areas.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

At Escondido Charter High School, we believe that parents are the primary educators of their children, and we strive to create a strong partnership with them. This includes providing quality teachers, materials, and resources to support parents in their role and help their students thrive academically and personally. We are committed to strengthening these partnerships and ensuring families have the information and support they need to choose the best learning options for their students.

To achieve this, we utilize a variety of avenues for parent input and engagement:

- **Parent Volunteer Organization:** This active organization provides opportunities for parents to contribute their time and talents to support school activities and events.
- **Surveys:** We routinely solicit feedback from parents through surveys to gauge their satisfaction and identify areas for improvement.
- **ECCHS Board of Directors:** Parent representation on the Board of Directors ensures that parent perspectives are considered in school governance and decision-making.
- **LCAP (Local Control and Accountability Plan):** Parents have the opportunity to contribute to the development and review of the LCAP, which guides school goals and spending priorities.
- **Parent Focus Groups:** We conduct regular focus groups with parents to gather in-depth feedback on specific topics and initiatives.

It's common to see parents actively involved in school life, chaperoning dances, volunteering during the school day, and participating in events like Back to School Night, History Night, Grad Night, and the Arts Festival. This strong parent participation is vital to the success of our school and the well-being of our students.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;
- High school dropout rates; and
- Chronic Absenteeism

Graduation Rate and Dropout Rate (Four-Year Cohort Rate)

Indicator	School 2021– 22	School 2022– 23	School 2023– 24	District 2021– 22	District 2022– 23	District 2023– 24	State 2021– 22	State 2022– 23	State 2023– 24
Graduation Rate	95.1%	95.3%	97.1%	87.2%	88.0%	88.1%	87%	86.2%	86.4%
Dropout Rate	1.9%	4.3%	2.2%	6.6%	7.0%	8.0%	7.8%	8.2%	8.9%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a student population is ten or fewer.

Graduation Rates

Dropout Rates

Graduation Rate by Student Group (Four-Year Cohort Rate) (School Year 2023–24)

Some fields with values below the state defined levels for privacy have been set to zero to comply with this form's validation rules.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	232	225	97.0%

Students with Disabilities	3.13%	0%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

School Safety Plan (School Year 2024–25)

ECHS is committed to providing a safe and orderly learning environment. The school has developed a Board-approved Comprehensive School Safety Plan, as required by state law, which is updated annually, most recently in the fall of 2024. ECHS ensures a secure campus to prioritize student safety before, during, and after the school day. Fire drills are conducted at least twice each school year, and lockdown drills are held at least once annually. Additionally, ECHS maintains an Emergency Procedures Manual detailing protocols for various emergency situations, including building evacuation, lockdown, and building containment.

All classrooms are equipped to receive intercom instructions from the main office during emergencies, and personnel are trained on the appropriate protocols and procedures. To facilitate rapid communication, the school emphasizes the use of walkie-talkies among administrators and support staff. Furthermore, both the ECHS Flex and main campuses are equipped with emergency "panic buttons" that, when activated, alert first responders and restrict campus access to enhance security.

Beginning in January 2023, all ECHS students began participating in an annual week-long safety training known as H.E.R.O. Week. This program is designed to prepare staff and students with appropriate responses to potential threats—Hide, Escape, Run, and Overcome. While the program is intended to be completed within a week, it allows flexibility in how each school delivers the curriculum to best meet the needs of their students.

During H.E.R.O. Week, students develop essential safety and critical thinking skills associated with the four protective actions. Each day includes a 30-minute lesson featuring age-appropriate activities, engaging stories, and meaningful classroom discussions. This approach ensures that students are prepared in a non-threatening, supportive, and empowering environment. Once the lessons are completed, the school conducts schoolwide safety drills that exceed the safety standards required by state and local regulations.

In addition to the H.E.R.O. Week training, the entire ECHS staff participates in periodic in-person safety trainings. For example, in the 2023–24 school year, staff participated in intruder safety training hosted by Safe Schools Inc. During these sessions, law enforcement experts shared the latest science behind school safety, discussed the potential signs of school violence, and reviewed the appropriate responses to potential threats. This training, which also uses the H.E.R.O. framework, underscores ECHS's commitment to ensuring the safety of its students and staff.

D. Other SARC information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Secondary) (School Year 2021–22)

Class sizes reported in this section reflect classroom programs only. Independent study programs are not included.

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	15.00	71	13	1
Mathematics	16.00	59	8	3
Science	15.00	50	5	
Social Science	14.00	50	8	

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size and Class Size Distribution (Secondary) (School Year 2022–23)

Class sizes reported in this section reflect classroom programs only. Independent study programs are not included.

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	15.00	110	1	0
Mathematics	15.00	58	2	2
Science	14.00	51	3	0
Social Science	11.00	57	4	1

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size and Class Size Distribution (Secondary) (School Year 2023–24)

Class sizes reported in this section reflect classroom programs only. Independent study programs are not included.

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	12.00	78	10	
Mathematics	16.00	38	17	2
Science	14.00	39	17	
Social Science	9.00	75	8	

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Ratio of Pupils to Academic Counselor (School Year 2023–24)

Title	Ratio
Pupils to Academic Counselor*	468

* One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Student Support Services Staff (School Year 2023–24)

Teachers in the Flex Learning One-to-One option carry a student load of 25. These teachers also function as their students' academic counselors. Teachers in the Flex Four-Day Learning option, who teach the four core courses (math, science, English, and Spanish), also serve as Teachers of Record for a small number of freshmen. These teachers function as academic counselors for their students. There are two designated Academic Counselors in the Traditional Learning option. Specialized personnel including psychologist, speech therapist, resource specialist etc. are assigned by the sponsoring district as needed.

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	2.00
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other**	1.00

* One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

** "Other" category is for all other student support services staff positions not listed.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2022–23)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13456.00	\$783.00	\$12673.00	\$68009.00
District	N/A	N/A	--	\$92112.00
Percent Difference – School Site and District	N/A	N/A	--	-26.00%
State	N/A	N/A	\$10770.62	\$105265.00
Percent Difference – School Site and State	N/A	N/A	18.00%	-35.00%

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2023–24)

The total cost of operating Escondido Charter High School for the 2023-24 school year was \$12,539,491. Fifty-eight percent (58%) of the total budget was spent directly in classrooms for teachers, teacher aides, books, supplies, and equipment. forty-two percent (42%) of the total budget was spent at the school site for certificated and classified support services such as office personnel, counselors, technology support, and school administrators.

Teacher and Administrative Salaries (Fiscal Year 2022–23)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$56792.00	\$62635.36
Mid-Range Teacher Salary	\$86265.00	\$101698.23
Highest Teacher Salary	\$121892.00	\$128981.69
Average Principal Salary (Elementary)	\$0.00	--
Average Principal Salary (Middle)	\$0.00	\$162013.00
Average Principal Salary (High)	\$167935.00	\$182697.44
Superintendent Salary	\$290136.00	\$298748.19
Percent of Budget for Teacher Salaries	27.04%	30.11%
Percent of Budget for Administrative Salaries	6.48%	4.78%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits web page at <https://www.cde.ca.gov/ds/fd/cs/>.

Advanced Placement (AP) Courses (School Year 2023–24)

Due to small numbers in the Traditional Classroom Program it is fiscally prohibitive to offer a wide variety of AP courses. However many students enrolled in Honors classes take and ultimately pass AP exams in various subject areas. Thirty-five percent (35%) of students in the Traditional Classroom Program are enrolled in one or more AP courses.

Percent of Students in AP Courses 16.6 %

Subject	Number of AP Courses Offered*
Computer Science	0
English	4
Fine and Performing Arts	0
Foreign Language	0
Mathematics	2
Science	0
Social Science	3
Total AP Courses Offered*	9

* Where there are student course enrollments of at least one student.

Professional Development

Note: Revised accounting to report as full eight hour days rather than days with professional development components.

Measure	2022– 23	2023– 24	2024– 25
Number of school days dedicated to Staff Development and Continuous Improvement	34	4	5
